Within the context of the commemoration of the 500 anniversary of the discovery of America - Meeting of two Worlds - the Consulates Generals of Latin America and the Caribbean, have the honor to offer to the people of Hong Kong an ensemble of art works that through its plurality, reflects the mixture of its autochthonous origins and european traditions.

It is a panoramic view of light, rhythm, ideas, color and emotions that conforms the contemporary art of Latin America.

The culture of Latin America comprises people of the most diverse origins and cultural traditions. A high degree of unity in language and religion was brought about by the colonization initiated by Spain and Portugal. The Latin Americans fought hardly for their independence and today they continue to reaffirm the importance of its role within the international community.

We do believe that this art exhibit will contribute to a better understanding of the Latin American culture and therefore strengthen the relationship between Hong Kong and our countries.

拉丁美洲及加勒比海地區的兩位總領事很榮幸向香港市民介紹一個藝術匯展。這是紀念發現美洲大陸500週年活動——兩個世界的相遇——的其中一個環節。展出的藝術品種類繁多、琳瑯滿目，揉合了美洲原居民的根源和歐洲傳統。

該展覽讓參觀者全面地欣賞到當代拉丁美洲的藝術，體驗到光線、韻律、意念、色彩及情感。

拉丁美洲的文化由多元民族文化傳統集合而成，由西班牙和葡萄牙開始的殖民，使語言及宗教得到高度統一。拉丁美洲人曾努力爭取獨立，今天，他們仍不斷重申拉丁美洲在國際社會中所扮演的重要角色。我們堅信這個藝術展覽能令香港市民更加認識拉丁美洲的文化，從而加強香港與我們各國的關係。
